

Feztival of Trees

The festival of trees is a family event that is put on by Egypt Shriners with help from local sponsors that showcase decorated “themed” Christmas trees that are raffled off at the end of the event. The tree, decorations, and any goodies under or around it, are all included as the prize.

Trees entered have a variety of “themes” to them and are only limited by the imagination of the Sponsor. Almost any type of company, group, or organization can be a sponsor for the Feztival. Themes are displayed under your company, group or organization name along with the contents that are included with the tree on the raffle box located at each tree.
